

MATA110HA-OERTC2

Heavy-weight Cut Protection and Abrasion Resistance

APPLICATIONS

Metal Fabrication
Automotive
Appliance Manufacturing
Construction
Steel Foundries

FEATURES

The ATA® Hide-Away™ series MATA110HA-OERTC2 has superior cut and abrasion qualities as compared to conventional para-aramids. A unique blend of darker color fibers give this heavyweight glove extended life due to its ability to hide dirt and soiling. ATA® Hide-Away™ products have a longer lifespan, cost less, and provide a higher value than traditional para-aramid products. 100% made in the USA.
